2018 Safe Turkey 2018 Pickleball Youth Clinic On behalf of the Blairsville Courts on June 4, 5, and 6 from Hunting Tips

Want to be safe while hunting the gobblers this year? 25-30% of all hunting-related shooting incidents involve turkey hunters. The number one cause - hunters failing to positively identify their target. So be safe this year. Eliminate red, white, blue, and black colors from your clothing. Wear hunter orange when entering or leaving the area. Protect your back! Select a large tree, rock, or other natural barrier while calling. And, positively identify the target before the shot. Visit gadnrle.org for more on hunter safety.
