a bunt single to load the bags. In her defense, things might have looked different if she'd received the correct call on the bunt single. Following a leadoff walk, Lumpkin attempted to bunt the runner into scoring position, but the batter was ruled safe at first, despite arriving a half-step late.

Things only spiraled out of control from there as two more walks put the Lady Indians on the board. With one out, a single to center made it 2-0, then another base on balls stretched the score to 3-0, bringing Sierra Burnette to the circle.

Sierra Burnette recorded a quick strikeout but eventually ran into trouble herself. A bases-loaded walk scored the fourth run before the defense let her down by allowing a pop-up to drop between a pair of Union defenders, pushing the score to 6-0.

A wild pitch and an infield single resulted in the final two runs of the inning, placing

T.U.F. Athletes news update

Hello from the T.U.F. Athletes, We want to thank everyone for your continued support of our wonderful group of athletes. We cannot begin to name each individual and business for fear of leaving someone out. Your support has been overwhelming to our athletes. They are in awe at the outpouring of love and willingness to help.

On a sad note, the 2020 Dream Ride Experience Rally has been canceled due to the COVID-19 Virus. If you are

not familiar with Special Needs Individuals most have underlying health issues that can make them compromised and in a high risk group. The Dream Ride and Hometown Foundation decided that it would be irresponsible to risk exposing these individuals to this virus. The Athletes are their number 1 priority.

The plan for now is to attend the 2021 Rally which will take place in August of 2021. In the words of CEO of Dream Ride, Michael Bozzuto, "Next year will be bigger and better".

We were half way to reaching our goal for 2020, unfortunately due to COVID-19 we had to cease our fundraising efforts. We still have 12 months to continue raising the funds for 2021. If you would like to contribute to this amazing trip, please contact one of the following: Carla Persaud, 770-596-3397; Terri Post, 706-400-9839; Paulette Dyer, 706-897-9938.

Again thank you for your wonderful support of T.U.F. Athletes!

"Happy" Harvick Sweeps Michigan Doubleheader

BROOKLYN, MI -- Kevin Harvick had a perfect weekend. He won both NASCAR Cup Series races this past Saturday and Sunday for his fifth and sixth wins of the season. His car was so dominant in both events that the other drivers could only hope for a runner-up finish.

He led 90 laps of Sunday's 158 lap race. The race's last caution came during lap 137. On the restart Harvick, Denny Hamlin, Martin Truex Jr. and Kyle Busch were out front. Harvick immediately put his No. 4 Ford into the lead and remained there until the checkered flag was given.

"There at the end we were tight in turns three and four," said Harvick. "It was a real challenge to hold off the 11 car (Denny Hamlin). We're proud of what we accomplished this weekend. It's a great achievement for anyone."

The win was the 55th of his Cup Series career, tying him with Rusty Wallace on the series' all-time win list.

Runner-up Denny Hamlin led one time for six laps. During the closing laps Hamlin was able to reach Harvick's rear bumper, but that was all he could manage. He was never able to attempt a pass for the lead, and was .093-seconds behind when the race ended.

"I knew we had something better, but I couldn't get into position to make a final run on him," said Hamlin. "We just got a little tight and we couldn't make the move we needed to."

Martin Truex Jr. did not lead any laps but finished third.

"Our car was good, but we weren't able to do a couple things we needed," said Truex.

Kyle Busch was fourth, followed by Joey Logano, Aric Almirola, Matt DiBenedetto, Austin Dillon, Chase Elliott, and Kurt Busch.

Clint Bowyer won Stage 1, while Harvick claimed Stage 2.

Ryan Blaney was leading the race on lap 95. His teammate Brad Keselowski lost control of his car, drifted up the track into Blaney's car, sending both of them into the outside wall, and out of the race.

Blaney finished 38th and Keselowski was 39th.

"It was my fault," said Keselowski. "The back end got loose and started to come around. I just lost it and got into Ryan. I really hate it, because he didn't deserve what happened."

The victory also sealed the Michigan Heritage Trophy for Ford. The award is given to the top-performing automaker in the two annual Cup Series races at MIS.

Top-10 leaders: 1. Harvick-916, 2. Keselowski-779, 3. Hamlin-776, 4. Blaney-741, 5. Elliott-721, 6. Logano-717, 7. Truex-716, 8. Almirola-669, 9. Kyle Busch-651, 10. Kurt Busch-648.

"HAPPY" HARVICK GETS FIFTH CUP WIN

Kevin Harvick held off a hard charging Brad Keselowski in overtime to win Saturday's Cup Series race at Michigan.

"The restarts were obviously a handful but our (car) was really fast today and we held on for the long run and would really go on the short run and did everything we needed it to do," Harvick said. "We are a week-to-week team. We talked about this years ago. We want to go to the track and worry about one week at a time. We want to be competitive and win as many races as we can and see where it falls in the end. These guys are awesome. A car like that is unbelievable."

NEWMAN IS READY TO GO BACK TO DAYTONA

Instead of reflecting on the bad wreck at Daytona which left him sidelined for three races, Ryan Newman is focusing on other possibilities.

A two-month hiatus of the 2020 season due to the Covid-19 pandemic allowed Newman time to heal and return to his No. 6 Roush Fenway Racing Ford. The battle back into contention for wins has proved even more challenging.

"No doubt I've thought about it, but the reality is it's not the truth, it's not what happened, it's the 'what could have been' and everybody has that in their season," Newman said. "We have to do our job to go back and kind of replay those events and make corrections to whatever mistakes or whatever differences we can try to be victorious."

"That doesn't go just for Daytona; that goes for every race track. The season no doubt has been a challenge in so many ways for so many people and our team. I feel like we've struggled a little bit, but I feel like we have the things that we need to make the corrections to be better and be stronger and be successful."

NASCAR has given him a medical waiver which would allow him to use a win during the regular season to gain entry to the 16-driver playoff field despite not starting all the races.

"I guess after February I'm pretty emotional every day," he continued. "I'm just thankful

for the opportunity to continue on. I get to hit the reset button in a roundabout way, not with my life, but the reality is just to continue to play on.

"I will probably be some sort of emotional going back to Daytona, but I don't see it being a whole lot different than the kind of emotion I had getting in the car at Talladega or even going back to Darlington for that matter when I went and did my first test."

Meanwhile, Erik Jones driver of the No. 20 Joe Gibbs Racing Toyota in the Cup Series will lose his ride after this season.

The 24-year-old was discovered by Kyle Busch when Jones beat him in the 2012 Snowball Derby. Jones was 16 at the time and the victory opened the door for Jones' rise into NASCAR.

Jones won the Southern 500 for Gibbs in 2019 to earn a spot in the playoffs. He opened this season with a victory in the exhibition Busch Clash at Daytona International Speedway.

Jones hasn't had the wins that Gibbs and Toyota expected.

Racing Joke: "I watched my wife's routine at breakfast for years," Clint explained to some of his teammates. "She made lots of trips between the refrigerator, stove, table and cabinets carrying a single item at the time. One day I told her, 'Hon, why don't you try carrying several things at once?'"

"Did it save time?" one of the guys asked.

"Actually, yes," Clint replied. "It used to take her twenty minutes to make breakfast. Now I do it in seven."

Weekend Racing: All three of NASCAR's major series will be racing on the Daytona International Speedway road course.

Sat., Aug. 15; Xfinity Series race; Starting time: 3 PM ET; TV: NBCSN.

Sun., Aug. 16; Truck Series race; Starting time: 12 PM ET; TV: Foxsports1.
