Atlanta - The Lady Panthers opened the 2016 Class AAA State Tournament with their highest run total of the season - a 17-0 shellacking of a familiar foe from their Class AA days, the Lovett Lady Lions.

Union County (17-11) continued to pound Lovett in the second game and secured its spot in this week's Sweet 16 with a 9-3 victory.

Jillian Lawn jumpstarted the Lady Panthers offense in the first game with a 3-run homer in the first inning. She went on to finish with 5 RBIs during a 2-for-3 performance that included a two-run double and two runs scored.

Senior Laken Chambers went deep later in the game while tossing a three-hitter and striking out four during four innings from the circle. The four-year starter also finished 3-for-3 with 3 RBIs and one run.

Braden Poteete chipped in a three-hit game with two runs and an RBI single.

Union County out-hit the home team 13-to-3 while playing error-free in the field. Meanwhile, the Lady Lions committed six errors that led to seven Lady Panther runs.

Lawn's first inning bomb came after senior Lydia Arrowood reached on an error and Chambers drew a walk.

With one down in the third, Chambers sent a solo-shot over the left field fence to extend the lead to 4-0. Lawn followed with a walk and Aladriel Arnold singled to left, allowing Mary Wischmeyer to score Lawn and Arnold with an opposite field base hit.

But Union wasn't content with a six run lead.

Ellie Garrison reached on

an error, Maddie Sutton singled up-the-middle and stole second, then Poteete scored Garrison with a bunt single. After Poteete swiped second, Kendra Tanner brought home Sutton and Poteete with a single to center.

Arrowood scored Tanner - who stole third - with a base hit and Chambers drove in Arrowood with a base hit.

When the dust settled, the Lady Panthers scored eight times in the third to hold an 11-0 lead entering the bottom half of the inning.

Arnold and Wischmeyer opened the fourth with consecutive walks, Garrison reached on a fielder's choice, and Wischmeyer scored when the Lovett shortstop was unable to handle

a ground ball off the bat of Sutton.

Poteete singled to left and Tanner brought home Garrison and Sutton when her grounder to second was misplayed.

Leading 14-0, Arrowood reached on the Lady Lions' third error of the inning, Chambers knocked in Poteete with a base hit, and Lawn doubled home Tanner and Arrowood.

Lovett never seriously threatened at the plate. They opened the game with a single and a sacrifice but Chambers induced a grounder to second and fanned the cleanup hitter to escape the first.

A one-out double in the second went to waste after Chambers recorded a strikeout

and managed to get a pop fly to Sutton in right field.

A two-out single was followed by a grounder to short in the third before Chambers sat down Lovett 1-2-3 in the fourth. The game was called after four due to the mercy rule.

Tanner finished 1-for-4 with 3 RBIs and a pair of runs, Arrowood also went 1-for-4 with three runs, Arnold was 1-for-3 with a walk and a run, and Wischmeyer went 1-for-2 with two RBIs, a walk, and a run.

Sutton finished 1-for-3 with two runs, Garrison also scored twice, and Skyler Ludlum scored once.

In the second game, Union once again jumped on

Lovett with three runs in the first. They tacked on four more in the fourth after the Lady Lions got one in the second. They made it a 7-2 game in the fifth but the Lady Panthers added two in the sixth before Lovett scored one in the top half of the seventh.

Chambers tossed seven innings, allowing nine hits, two earned runs, while striking out seven and walking one in the win.

At the plate, Union got three RBIs from Wischmeyer, two from Garrison, and another RBI from Lawn.

The Lady Panthers' three-run first began with a leadoff walk by Tanner, a sacrifice bunt from Arrowood, and

an RBI single by Chambers.

Lawn followed with a walk and Arnold scored Ludlum, who was running for Chambers, with a base hit to right. Wischmeyer drove in Lawn's pinch runner, Kristen Poteete, with a sacrifice fly.

Lovett opened the second with a double, RBI single, and another single but Chambers pitched her way out of trouble, limiting the damage to one run.

Tanner singled to open the fourth and later scored when Lawn reached on an error. Wischmeyer would bring two more to the plate when she singled to right to stretch the lead to 6-1. Garrison made it a 7-1 game when she brought home Wischmeyer with an RBI single.

Lawn gave Union an 8-2 lead in the sixth when she scored Arrowood with a base hit to right. Garrison drove in Lawn with an RBI groundout to shortstop.

Tanner scored twice and walked during a 1-for-3 performance, Arrowood finished 1-for-1 with a run, Chambers went 1-for-3 with an RBI and a walk, and Lawn recorded another two-hit game with an RBI and a walk.

Arnold was 2-for-3 with an RBI, Wischmeyer went 2-for-3 with 3 RBIs and a run, Garrison finished 1-for-2 and drove in two, and Braden Poteete walked once.

Ludlum scored twice and Kristen Poteete added one run.

Up next is a trip to the Region 3 Champions, Southeast Bulloch, located just outside of Statesboro.

Game one gets underway at noon Wednesday with game two to follow. If necessary, Game three would be Thursday. The winner will earn a spot in Columbus for the Elite 8.

## Firearms deer hunting season opens October 22

If you have never had that pre-opening day of firearms deer hunting season feeling, let this be the year you experience it! Firearms deer hunters can take to the woods beginning Sat., Oct. 22 and continue through Jan. 8, 2017 statewide.

"Hunters already know the benefits of having a few deer in the freezer," said John W. Bowers, chief of game management for the Wildlife Resources Division. "However, we hope that people interested in providing healthier, organic meals for their families take an interest in the pursuit of their own meat. Venison is a healthier alternative to most domestic meat, and hunting is an excellent way to enjoy the 'field to fork' experience."

During firearms deer season last year, over 302,000 hunters harvested almost 300,000 deer in the state. The use of regulated deer hunting ensures that Georgia's deer population continues to be healthy and strong.

New: Either Sex Day Map: A new interactive map has been created for Georgia hunters allowing hunters to see the opportunities avail-

able for the counties they hunt. More info at [www.georgiawildlife.com/hunting/deer-opportunities](http://www.georgiawildlife.com/hunting/deer-opportunities).

New: Georgia Game Check: While deer hunters have utilized a deer harvest record in the past (to record the date and county of kill), beginning this deer season, all hunters on both public and private lands must record their deer on the harvest record AND report their harvest using Georgia Game Check. All deer must be reported within 72 hours of harvest. However, deer taken to processors/coolers must be reported before the deer can be left at the place of business. More info at [www.georgiawildlife.com/HarvestRecordGeorgiaGameCheck](http://www.georgiawildlife.com/HarvestRecordGeorgiaGameCheck).

Georgia hunters have access to more than one million acres of public hunting land across the state, including over 100 state-operated wildlife management areas. In addition to traditional hunts, a number of special hunts are offered, including ladies-only and adult/child hunts. Dates and locations for these hunts, as well as WMA maps, can be found in the 2016-2017 Georgia Hunting Seasons and

Regulations Guide at [www.gohuntgeorgia.com/hunting/regulations](http://www.gohuntgeorgia.com/hunting/regulations).

Hunters are allowed a harvest of up to 10 antlerless deer and no more than two antlered deer (with one of the two antlered deer having a minimum of four points, one inch or longer, on one side of the antlers).

To pursue deer in Georgia, all hunters must have a valid hunting license, a big game license and a current deer harvest record. If hunting on a WMA, a WMA license is required. Licenses can be purchased online at [www.gohuntgeorgia.com/licenses-permits-passes](http://www.gohuntgeorgia.com/licenses-permits-passes), by phone at 1-800-366-2661 or at a license agent (list of agents available online).

All deer hunters must wear at least 500 square inches of fluorescent orange above the waist to legally hunt during firearms season except on archery-only areas.

Georgia's deer rut map can be found at [www.georgiawildlife.com/rut-map](http://www.georgiawildlife.com/rut-map). For more information on deer hunting seasons, regulations, licenses and WMA maps, visit [www.georgiawildlife.com/hunting](http://www.georgiawildlife.com/hunting). NT(Oct19,F5)SH

lachian area and encourage involvement in the maintenance of trails and conservation of forest environments.

Work trips are scheduled every Thursday in NC or GA.

Maintaining over 100 miles of trails, the club has been instrumental in the reopening of Chunky Gal Trail, blazing a new trail to Boteler Peak, and getting the entire Fires Creek trail system reopened.

Besides the maintenance activities Mountain High Hikers sponsor several hikes every week for all hiking abilities.

Game notes: This year's senior class matches last season's seniors as the winningest class in program history with 30 victories. They could also surpass their predecessors if they become the first class to reach four straight State Tournaments.

Union is one home win away from finishing 5-0 at home during the regular sea-

son for the second straight year - something that has never been accomplished.

Union went 5-0 at home in 2001, 1983, 1979, and 1977. The previous record of nine-straight home wins began in week one of 1983 with a 42-0 win over Andrews, NC and ended during the final home game of the season in 1984 - a 20-14 loss to Commerce.

On two other occasions, Union has won seven straight regular season games at home, in 2000-2001 and from 1978-to-1980.

Wright's 121 rushing yards puts him at 1,016 for the year. It also puts him ahead of Mancuso's 2015 pace. Through eight games last season, Mancuso had rushed for 927 yards. He also equals Mancuso's total of six regular season, 100-yard rushing games.

Wright and Lynch both surpassed 25 total touchdowns for their career during the win over North Hall.

Lynch also surpassed 2,000 total yards for his career on his first rushing attempt of the game vs North Hall.

Wright is now 49 passing yards away from 1,500 for his career and three scores away from 30.

Union remains undefeated against North Hall with a 4-0 record. Last week's meeting was the first since 1967 - a 38-6 Union win.

Coach Allison moves to 115-98 for his coaching career. He is 90-62 at Union

On October 13th, the Mountain High Hikers took to the woods to perform trail maintenance activities in the Coopers Creek Recreational Area.

Three trails totaling 5 1/2 miles were cleared of fallen trees, hanging limbs, branches and overgrown weeds and new blazes were placed.

After the work was done the group gathered at the game check station for a potluck picnic and bit of relaxation in the perfect fall weather.

Mountain High Hikers originated in the winter of 1993 from a Young Harris College ICL course entitled "Hiking in the Blue Ridge". Their mission is to promote and facilitate hiking activities in the Southern Appa-
