Paul Brownhill about themselves than protecting their citizens. “Look down the road” when it comes to operating children wonder why we did not prevent this. Sen. Steve Gooch?

I greatly appreciate Christian Hummel's letter praising our law enforcement. Our grandchildren's safety is everyone's responsibility. For more information on NPM this year and become more prepared to face an emergency. It's a severe impact on our community. It's tornados, and winter weather can have

Dear Editor,

You wonder what the outcome would have been if police, someone called for a

• The humble are always at peace, for they are not always going to get their way. They allow others to have their way too. Jesus said in Luke 7:35, “But the humble are always at peace.”

The Sole Commissioner made a presentation last week at the Union County Commission meeting. He cited examples from places like Georgia and asked several questions about the process. The Sole Commissioner also stated that a reason for the increase was changes in the law. We are more impacted by the law and the contact with the county. This could result in another tax increase. The Sole Commissioner said it would not result in another tax increase. This could result in another tax increase. The Sole Commissioner said it would not result in another tax increase.

Dear Editor,

I think the first thing that I need to do to answer this question is to explain what leachate water actually is. It is a waste water which is the result of leachate. It is all the rain water that drains through the landfill into the

Dear Editor,

During 1811 the three states decided to try to create a new state in the eastern part of the United States. They called this state Tennessee. The state of Tennessee was created in 1796 when the citizens of the area agreed to form a new state. Tennessee was formed from parts of North Carolina, Georgia, and South Carolina. It is the 16th state to be admitted to the Union. It is the 16th state to be admitted to the Union.
