Towns Sheriff Clinton to remain on Republican Primary ballot

By Charles Duncan
North Georgia News
editor@nganews.com

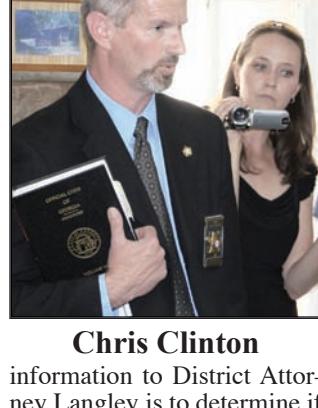

Towns County Sheriff Chris Clinton will remain on the 2016 Republican Primary Ballot, the Towns County Board of Elections voted 4-0-1 last Monday.

Board member Barbara Shook abstained from the vote.

However, the Board voted to advise Enotah Circuit District Attorney Jeff Langley that information of a 1987 conviction of misdemeanor theft by receiving stolen property in Union County was part of Sheriff Clinton's past.

Langley said last week that he had not received the paperwork from the Towns County Board of Elections, so, he couldn't make comment at this time.

The reason to give that

Chris Clinton

information to District Attorney Langley is to determine if Sheriff Clinton has committed felony false statements, said Board Co-Chair Mark Dehler.

Sheriff Clinton's qualifications, namely that he had not been convicted of a crime of moral turpitude, were brought into question recently

Sen. Gooch delivers \$1.4 million for projects

By Charles Duncan
North Georgia News
editor@nganews.com

The City of Blairsville has sought funding for its airport projects for longer than Steve Gooch has been a Georgia State Senator.

With all requests from the City falling on deaf ears, along came the State Senator from Dahlonega.

With close ties to the Georgia Department of Transportation, Sen. Gooch helped secure funding for the airport's apron and runway projects.

With those projects complete, that raised the question of where the funds to build a new airport terminal would come from.

"Once again, this was Department of Transportation money, part of it was federal, part of it was state," said Blairsville Mayor Jim Conley.

"When I first got elected,

Strawberries a hot commodity at County Farmers Market

By Lily Avery
North Georgia News

Strawberries went fast this year at the annual Strawberry Day event at the Union County Farmers Market on Saturday, May 7.

Berry lovers in attendance mentioned that most of the beloved fruit sold out before the venue even opened, leaving many wishing they'd been the early birds to this festivity.

"We only had a few berries last year because there weren't many to find. This year they were hard to find, but we picked 102 gallons and all of it was gone by 9:30 (this morning)," said Freddie Collins of Collins Farms.

Only one strawberry vendor had any strawberries left by 10 a.m., and that was 7M Family Farms. Marketgoers flocked to their stall as word spread of the hard-to-find juicy red berries.

"We were out of strawberries within an hour," said John Marletter of 7M. "We brought 75 gallons. We probably had over 100 come through to get berries just from us."

According to Williams Sparks of SMM Farms,

There were barely enough strawberries for this year's delicious treats. The local fruit was a hot commodity. Photo/Lowell Nicholson

the low strawberry yield is largely attributed to the cold weather that has been sweeping through the area.

Regardless of Mother Nature's wavering favor, it wasn't enough to stop farmers

from trying their best to outsmart her and bring the best they could find to the market.

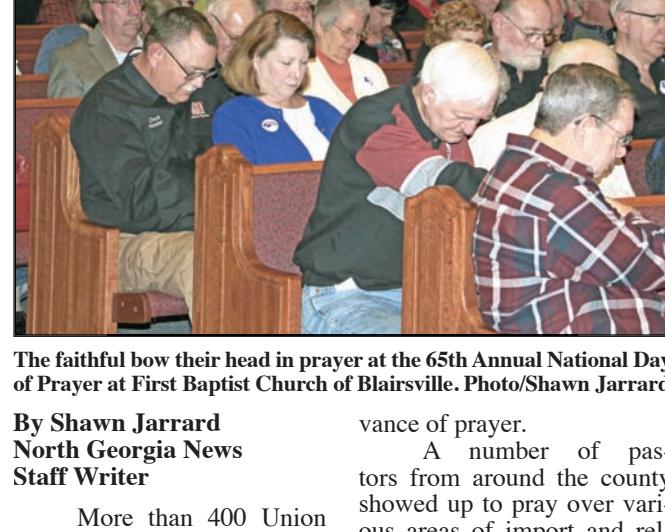

Sparks and his crew didn't arrive until after 11 a.m. due to their desire to get the best, freshest and most straw-

berries they could find, which was lucky for everyone who came after the start of the event.

"We would have been here earlier, but those boys

More than 400 Union County residents observed the 65th National Day of Prayer by gathering at the First Baptist Church of Blairsville to answer the call to prayer on Thursday, May 5.

The National Day of Prayer is always on the first Thursday of May each year, and according to the National Day of Prayer Task Force, it is an occasion for people of all faiths to share in the obser-

vance of prayer.

A number of pastors from around the county showed up to pray over various areas of import and relevance to Union County residents, from the local level all the way to Israel, one of America's closest allies.

Richard and Sharon Morrison of Blairsville organized the event, reaching out to the pastors who joined them and residents at First Baptist last Thursday.

Union County Pet Hospital and Blairsville Animal Hospital administered Union County's annual Rabies Clinics on Saturday, May 7.

"Dogs are starting to move through," said Pet Hospital owner Dr. Patricia Barnes at the start of the clinic that morning. "The dogs and cats and cars – it's shaping up to be a better year for getting pets vaccinated in Union County."

Carloads upon carloads

of owners and pets lined up well before opening for this year's clinic. While the wait could be a hefty one, everyone was in good spirits knowing they would drive away with a healthier pet.

Pet owners were given the opportunity to get one-year rabies vaccines for \$10, as well as other vaccines for varying prices if they so chose.

Vaccines were offered at a discounted rate as a more affordable option for those

Union County falls for Beauty and the Beast

By Lily Avery
North Georgia News
Staff Writer

Personalities ran amok on stage as Union County High School put on its first spring production, Disney's classic *Beauty and the Beast*, at the Union County Schools Fine Arts Center.

The show pulled in hundreds of attendees for each of its three successful shows, which ran on April 29, April 30 and May 1.

While each day of the show was spectacular, the last day held a special surprise for guests. The cast and crew of the show invited children to dress up in their favorite Disney

ney or *Beauty and the Beast* attire and join the cast after the show for pictures and laughs.

It was an evening enjoyed by all, as children ran up to meet Belle, Mrs. Potts, Cogsworth, and many of the other characters these kids had always dreamt of meeting.

UCHS Chorus Director Alicia Covington teamed up with Theater Director Chris Adams to bring this 11-week long project to life. This was Covington's first theatrical production as well as the choral department's first official venture into the realm of theater.
